E. As determined by the Grievance Procedure, or by a court in the case of an Employer not a member of a Group, an Employer found violating Article I-B "Work Coverage", or Article II-A and B, shall immediately pay compensatory damages in the amount of one (1) day's pay at the highest journeyman base rate under this Agreement for each day or portion thereof the violation occurred; such damages to be made payable to the Operating Engineers Health and Welfare Fund and the Employer shall immediately order another workman from the Union's out-of-work list, if required.

2. In the event the Union is unable to refer applicants for employment to an Employer in sufficient number, or sufficient type, from the minority groups represented within the local area as may be necessary to enable the Employer to fully comply with minority hiring requirements imposed by his construction contract with any Federal, State or governmental body, commission or agency, or to enable the Employer to fully comply with all Federal and State Laws, Presidential Executive Orders, regulations, rules, directives or orders which cover minority hiring and which are applicable to the Employer, then in any such event the Employer shall be free to directly recruit from any source such number of minority applicants acceptable to the Employer as may be necessary to satisfy the Employer's needs to effect such compliance.

3. It is understood the Employer shall submit to the Union, in writing, any such request for minority applicants for employment, together with a copy of the order,

3. G. Subcontracting Provisions -- Employee Rights, Union Standards and Work Preservation:

1. The purpose of this Section G is to preserve and protect the work opportunity normally available to employees and workmen covered by this Agreement, maintenance and protection of standards and benefits of employees and workmen performing work covered by this Agreement negotiated over many years and preservation of the right of Union employees, employed hereunder, from being compelled to work with non-Union workmen.

   a. Definition of Subcontractor: A Subcontractor is defined as any person (other than an employee covered by this Agreement), firm, limited liability company or corporation who agrees orally or in writing to perform, or who in fact performs work for or on behalf of an individual Employer. This is not limited by the use of common carriers. An Employer may use common carrier methods when needed, provided that no employee covered by this agreement is displaced as long as the employee is qualified to perform such work and the Employer has sufficient equipment.
This shall apply on two (2) boom/counterweight loads in addition to the driven crane, and three (3) for crawler crane moves that require a CDL (Commercial Drivers License). However, this will not limit the Employer's ability to use additional operating engineers for boom/counterweight loads that require a CDL.

b. The Employer agrees that he shall employ one (1) or more employees who are represented by the Union, on each jobsite on which he or his Subcontractors perform work of the type covered by this Agreement, and that neither the Employer nor any of his Subcontractors on the jobsite will subcontract any work to be done at the site of construction, alteration, painting or repair of a building, structure or other work, except to a person, firm or corporation, party to a current labor agreement with the appropriate AFL-CIO Building Trades Department or Teamsters Union.

c. The parties to this Agreement recognize and acknowledge that the foregoing provisions have been agreed upon in the context of the on-site construction industry uncertainty over applicable law, the bargaining history of the parties of twenty (20) or more years, particularly in the area of multi-Employer bargaining and the absence of strikes and lockouts growing out of the negotiating process. The absence of definitive legal criteria may make renegotiation or modification of this paragraph necessary or advisable and for these reasons it is agreed that, in the event this provision is determined unlawful by the NLRB or the U. S. District Court, or the District Court enjoins its enforcement or in the event the Court of Appeals for the Ninth Circuit or the Supreme Court permits a broader clause, then this entire paragraph shall be reopened for negotiation of amendments by either party giving fifteen (15) days notice, and upon the parties failing to agree on amendments, then Article III of this Agreement shall be suspended and the parties may take either strike or lockout action, upon sixty (60) days' prior written notice.

ARTICLE III

C. 1. Employees covered by this Agreement are to receive the same travel pay as the craft they are working with as provided for in that craft's agreement, if more advantageous to the employee.

2. When employees covered by this Agreement are eligible to receive overtime pay and subsistence under the provisions of this Agreement, they shall receive the same overtime pay and subsistence as the building trades craft with which they are
working if such provisions of that craft's agreement are more advantageous to the employee.

D. All time, including overtime, shall be reckoned on the one-half (½) hour.

E. Rest Periods:

1. Employees shall have a rest period of not less than eight (8) hours between the end of any overtime period and the beginning of another straight-time shift. If employees do not receive the required eight (8) hours rest period, they shall be paid at the applicable overtime rate for each hour worked until they have received eight (8) hours rest off the job or project.

2. The parties to this Agreement recognize Industrial Wage Order 16-2001 covering "On Site Construction, Mining, Drilling, and Logging Industries". Any dispute or grievance arising from this Wage Order shall be processed under and in accordance with Article XV of this Agreement.

It is the intent of the parties that this grievance procedure provide a mechanism for resolving the individual claims covered herein which balances expedited and complete relief to employees for violations with avoidance of unnecessary costs and disproportionate remedies associated with class and representative actions.

Any dispute, complaint or grievance alleging a violation of the Master Labor Agreement shall be processed through the Procedure for Settlement of Grievance and Disputes in Article XV, and the Union shall retain sole and exclusive ability to bring such a grievance to arbitration pursuant to such Article. In addition, any dispute, complaint or grievance concerning a violation of, or arising under, Industrial Welfare Commission Wage Order 16 ("Wage Order 16") which is subject to the Procedure for Settlement of Grievance and Disputes in Article XV by operation of Wage Order 16 and exemptions contained therein for employees covered by collective bargaining agreements shall remain subject only to Article XV and not this Article III, Section E. Disputes, complaints or grievances within the scope of this paragraph shall be referred to as "Contractual Disputes".

In addition to Contractual Disputes that may be brought by the Union as described above, all employee disputes concerning violations of, or arising under Wage Order 16 (except as noted in the immediately preceding paragraph), the California Labor Code Sections identified in California Labor Code Section 2699.5 as amended, the
California Private Attorneys General Act (Labor Code Section 2698, et. seq.), and federal, state and local law concerning wage-hour requirements, wage payment and meal or rest periods, including claims arising under the Fair Labor Standards Act (hereinafter “Statutory Dispute” or “Statutory Disputes”) shall be subject to and must be processed by the employee pursuant to the procedures set forth in this Article III, Section E as the sole and exclusive remedy. To ensure disputes are subject to this grievance procedure in accordance with the intended scope of coverage set forth herein, Statutory Disputes also include any contract, tort or common law claim concerning the matters addressed in the foregoing laws (other than a claim of violation of the Master Labor Agreement which are deemed Contractual Disputes). This Article III, Section E shall not apply to claims before the National Labor Relations Board, the Employee Equal Opportunity Commission, the Department of Fair Employment and Housing, and the California Division of Workers' Compensation.

No Statutory Dispute subject to this Article III, Section E shall be recognized unless called to the attention of and, in the event it is not resolved, confirmed in writing by the individual employee to the individual Contractor and the Union within the later of: (i) the time set forth in the Procedure for Settlement of Grievance and Disputes in Article XV; or (ii) the time provided for under applicable statute.

Grievances and arbitrations of all Statutory Disputes shall be brought by the individual employee in an individual capacity only and not as a grievant or class member in any purported class or representative grievance or arbitration proceeding. The Arbitrator shall have the authority to consolidate individual grievances for hearing, but shall not have the authority to fashion a proceeding as a class or collective action or to award relief to a group or class of employees in one (1) grievance or arbitration proceeding.

If the individual employee dispute is a Statutory Dispute subject to this Article III, Section E, the grievance shall not be heard by the Labor-Management Adjustment Board, but shall proceed directly to an independent Arbitrator. In such cases, the procedures for selection of an Arbitrator contained in Article VX shall not apply; instead, the individual employee and the Contractor shall proceed to arbitration pursuant and subject to the American Arbitration Association National Rules for Employment Disputes. The Contractor shall pay all fees and costs related to the services of the American Arbitration Association and the services of the Arbitrator; however, the Arbitrator may reallocate such fees and costs in the arbitration award, giving due consideration to the individual employee’s ability to pay. Each party shall pay for its own costs, expenses, and attorneys’ fees, if any. However, if any party prevails on a statutory claim which affords the prevailing party costs or attorneys’ fees, or if there is a written Agreement.
providing for an award of costs or attorneys' fees, the Arbitrator may award costs and reasonable attorneys' fees to the prevailing party. Any issue regarding the payment of fees of costs, and any disputes about the manner of proceeding shall be decided by the Arbitrator selected. The Union shall not be a party to such, and shall bear no costs or fees of the arbitration.

The Arbitrator shall have full authority to fashion such remedies and award relief consistent with limitations under federal and state law, and precedent established thereunder, whether by way of damages or the award of attorneys' fees and other costs, orders to cease and desist, or any and all other reasonable remedies designed to correct any violation which the Arbitrator may have found to have existed, including such remedies as provided under applicable state or federal law or regulation. The decision of the Arbitrator is final and binding upon the parties and is enforceable in a court of competent jurisdiction.

The Arbitrator shall not have any authority to award relief that would require amendment of the Master Labor Agreement or other agreement(s) between the Union and a Contractor or the Contractors, or which conflicts with any provision of any collective bargaining agreement or such other agreement(s). Any arbitration outcome shall have no precedential value with respect to the interpretation of the Master Labor Agreement or other agreement(s) between the Union and a Contractor or the Contractors.

3. A heat illness preventative cool-down recovery period shall be made available for employees working in high heat conditions in order to prevent heat illness in accordance with CAL OSHA requirements. Any dispute or grievance arising from this heat illness preventative recovery requirement shall be processed under and in accordance with Article XV, Procedure for Settlement of Grievances and Disputes of this agreement.

F. Meal Periods:

1. No employee shall be required to work more than five (5) hours consecutively without a one-half (½) hour meal period. If meal periods are worked, they shall be paid at double (2) time the straight hourly rate, in addition to the minimum pay requirements, Article III, Section G. Meal periods may be staggered to meet the job requirements.

2. When employees working under this agreement are required to work through the meal periods on Saturday, Sundays and/or Holidays, the employee shall
receive an additional one-half (½) hour pay at the applicable wage rate for each meal period that is missed as defined in F.1 of this article.

1. The employee shall furnish the Employer with his current address and telephone number, if any. Any employee reporting for work at his regular starting time and for whom no work is provided, shall receive pay for two (2) hours at the stipulated rate for so reporting unless:

If more than four (4) hours are worked, employees shall receive not less than six (6) hours pay at the applicable
hourly rate. If more than six (6) hours are worked, employees shall receive not less than eight (8) hours pay at the applicable hourly rate. If maintenance personnel need operational assistance during this time period from the operating crew, the oiler (if applicable) shall remain on site with the operator.

a. In instances where employees are not requested to remain on the job or project because of inclement weather as noted above, the Employer shall make every effort to provide work or make work available in order for the employees to receive a full day’s pay (eight [8] hours) in accordance with Paragraph 4. The employee shall call the Employer’s dispatcher immediately when shut down by wind or rain.

6. There will be no eight (8) hour minimum guarantee if only traveling, assembling, or preparing the crane. This applies to the first (1st) day on the job only. If the employee performs work for the customer on the first (1st) day and he has less than eight (8) hours worked, he shall immediately call the dispatcher for further work in order to qualify for the eight (8) hour guarantee as defined in Paragraph G-5 of this Article. On cranes where an extra workman is required to assemble booms, he shall be an employee covered by this Agreement.

7. Any employee who reports for work and who is either not qualified to perform the work or is unable to perform the work due to his own condition, shall not receive reporting time.

In the event the Employer fails to pay employees laid off or discharged, they shall be paid waiting time at the straight-time rate, eight (8) hours per day, seven (7) days per week, until the time such payment has been made. An employee who quits shall be mailed his pay in full by certified mail to the last known address within seventy-two (72) hours, or be paid prior to leaving the job or yard. In the event these stipulations are not met, he shall receive waiting time as noted above, unless the employee has given seventy-two (72) hours previous notice of his intention to quit, in which case the employee is entitled to his wages at time of quitting.

3. Should the Employer offer the option of automatic deposit of wages and the Employee chooses such option, it will be an acceptable means of paying wages provided that the transfer of the funds will be made prior to the ending of their regular shift. The Employer shall request no more information from the Employee to activate an automatic deposit than that required by the financial institution for such activation.

6. Adequate toilet facilities shall be provided at the Employer's yard.

7. In the event that an Employer receives a bona fide written request from the Employer's insurance carrier requiring employees to sign Safety Meeting attendance lists, employees covered by this Agreement shall sign an attendance list whenever they attend a Safety Meeting conducted by the Employer. Upon receipt of such a request from an Employer's insurance carrier, the Employer shall send a copy to the Union. The employee's signature will only signify that he was in attendance at a meeting.

K. Qualifications and Certification:

1. The parties' signatory hereto have established a Certification Program for all operators of cranes in excess of a 7.5-ton lifting capacity or 25 feet of boom length. A committee of not less than three (3) management representatives and three (3) union representatives selected by established program procedures will manage and oversee the program's operations.

2. Testing shall be conducted at training sites operated by the Training and Retraining Trust. In addition, testing sites may be designated at employers' places of business or other locations designated by the committee to give a test to all operators. Irrespective of the test site, testing is to be conducted by an independent and impartial testing organization and/or independent contractor(s) selected by the committee. With thirty (30) days' written notice, the committee will have the unqualified right to terminate the current independent testing organization and/or independent contractors and select others in accordance with established program procedures. The cost associated with the testing is the sole responsibility of the Training and Retraining Trust.

3. All operators must initially participate in the written and practical test with no exception. In the event the operator is applying for certification of more than one (1) type and size of crane, each operator must pass the written and practical "hands on" test for each specific crane separately. All operators at a minimum must pass a Department of Transportation physical and a substance abuse test before making an application for testing. At the end of the five (5) calendar years, each operator must take a current written exam, and provide current proof of passing a Department of Transportation physical and substance abuse test. A practical exam would also be required if the operator is unable to document at least 1000 hours of experience during the immediately preceding certification period, operating the specific crane-type or hoisting equipment for which recertification is sought.
a. An operator applying for recertification and not wishing to take the practical exam must provide a complete employment record of 1000 hours of work history on cranes or hoisting equipment that recertification is sought, within the previous five (5) year period. The employment record must include but is not limited to the following items:

   (1) Name, address, telephone number, verifying supervisors at past and present employment covering the past five (5) calendar years.

   (2) Make and model of cranes or hoisting and equipment operated.

   (3) Total hours of operation for this employee.

b. Waiver of the practical examination will only be granted after review and verification of the employment record.

4. Trainees may be authorized to operate crane and hoisting equipment provided they are under the supervision of an operator possessing a current, valid Certification of Competence for the specific crane-type or hoisting equipment being operated by the trainee.

5. It is also agreed between the parties that if any public or private authority should enact or impose any statute, law, regulation or specification that this testing program does not accommodate, then the committee shall meet to resolve such issues.

6. If the above procedures are not followed, then it will be deemed a violation of this Agreement. This includes instructions to employees to take any other test or certification unless agreed upon by the union.

7. Exemptions:

   a. The operation of a crane or hoisting equipment with a lift capacity or boom length dimension below that stipulated in paragraph 1 will not require the operator to be certified.

   b. The operation of a crane or hoisting equipment solely for testing, inspection, and/or maintenance of the crane or hoisting equipment will not require the operator to be certified.
8. A Contractor found violating any portion of this Truck Crane and Hoisting Equipment Operators Qualifications and Certification, as determined by the grievance procedure, shall immediately pay compensatory damages in the amount of one (1) day's pay at the highest journeyman rate under this Agreement for each day or portion thereof the violation occurred, such damages to be made payable to the Operating Engineers Health and Welfare Fund.

L. All maintenance and repair of equipment in the field, yards and shop, operated under the terms of this Agreement shall be performed by employees covered by this Agreement, except where bona fide agreements have existed in the past. It shall be the sole discretion of the Employer whether the crew or other qualified employees covered by this Agreement perform such work, except when regular employees are not qualified to perform specialty work.

M. Use of Employee's Vehicle:

1. Employees shall not be required or permitted to work out of or use their own vehicles for the transportation of employer materials or other conveyances to be used for work covered by this Agreement.

2. When required to use a personal vehicle for transportation, to escort or pilot cranes from yard to job, job to job, job to yard, or any time an employee's vehicle is used for transportation, the employee shall be compensated at the rate of sixty cents (60¢) per mile.

3. The use of the employee's vehicle shall be completely voluntary on the part of the employee. Any employee who is furnishing his own vehicle under this clause and desires to discontinue the practice, shall give the Employer reasonable advance notice of his desire, but not less than one (1) week.

a. It is the intent of the parties, that remedies fashioned under the grievance procedure (Article XV) of this Agreement for violation of the provision shall include reasonable compensation for the use of the vehicle and the Joint Adjustment Board or arbitrator shall, in addition thereto, assess monetary penalties for violations of this provision designed to discourage further violations and shall, in a subsequent case, deprive the violating contractor of the benefits of the grievance provisions (Article XV) of this Agreement for additional violations of this paragraph.
4. Employees shall travel to and from their daily initial reporting place on their own time and by means of their own transportation. The Employer shall furnish all other transportation needed in the performance of the employees' duties.

N. Employees referred to an Employer and assigned to equipment which is leased or rented to a political subdivision, city, county or state where the payroll is made by the political subdivision, the employees shall be considered employees of the Employer under this Agreement for such benefits which are not paid for, or contributions made, in behalf of the employees.

O. In accord with California Labor Code, Section 245.5 (a) (2) (B), this Agreement expressly waives the requirements of California Labor Code, Sections 245 through 249, for employees covered by this Agreement.

The parties further agree that to the full extent permitted, this Agreement shall operate to waive any provisions of any City, County or other local paid sick leave ordinance.

P. Workmen and/or employees shall not sign any documents other than the W-4 Form required by the Internal Revenue Service and the I-9 Form required by the U. S. Citizenship and Immigration Services, authorization for release of Driver Record information for employees who drive company vehicles only, meal periods and rest breaks acknowledgement on time cards, safety training and tailgate meeting acknowledgement documents, and documents required by Fair Employment and Housing Council and Equal Employment Opportunity Commission. Under no circumstances will an employee be required to sign any other document and the Union shall not be held in violation of this Agreement.

ARTICLE VI

C. A health and welfare fund known as the Operating Engineers Health and Welfare Fund has been established by the Employers and the Union by an Agreement and Declaration of Trust dated November 23, 1954, and subsequently amended. The Employers agree to abide by said Agreement and Declaration of Trust as amended and, further to make payments to the Fund in the amount designated in Appendix "A" of this Agreement for all straight-time or overtime hours worked by or paid each employee under this Agreement. The participation of the Employers in said Trust shall be for the duration of this Agreement and any renewals or extensions thereof, or for the period workmen are employed under the terms of this Agreement.

B. In the event the Trustees determine that they are unable to maintain the then existing level of benefits of the Plan without reducing the reserve funds of the Trust below the minimum required six (6) months premiums, they shall promptly advise the parties to this Agreement and Declaration of Trust of their conclusion and shall certify to said parties to this Agreement and Declaration of Trust of their conclusion and shall certify to said parties their estimate of the rate of contributions which will be sufficient to maintain the then existing level of benefits of the Plan.

1. The parties to this Agreement agree that if a majority of the participants in this Plan at a Semi-Annual Membership Meeting or a special called General Membership

2. The intent of Paragraph B-1 of this Article is to maintain the level of benefits agreed to by the Trustees for the period of this Agreement without any increased cost to the Employers.

C. The Trustees of the respective Trust Funds shall be instructed to comply with these provisions and the parties agree to make any amendments in the respective Trust Agreements necessary to accomplish the above.

ARTICLE VIII

C. The participation of the Employers in said Trust shall be for the duration of this Agreement and any extension or renewals thereof or for the period workmen are employed under the terms of this Agreement.

ARTICLE X
Joint Apprenticeship and Journeyman Retraining Fund

A. A joint apprenticeship and journeyman retraining fund known as the Southern California Operating Engineers Apprenticeship and Journeyman Retraining Trust has been established by the Employers and the Union by an Agreement and Declaration of Trust dated August 1, 1964, and subsequently amended by the parties to this Agreement. The Employers agree to abide by said Agreement and Declaration of Trust and, further, to make contributions in the amount designated in Appendix "A" of this Agreement for each hour worked or paid each employee under this Agreement.

B. The contribution shall pay for the administration of the Joint Apprenticeship and Journeyman Retraining system and for the administration of the Fund, and shall also pay for the retraining of members in an effort to increase their skills in operating and repairing equipment. The number of Journeyman trainees shall not be increased during periods of economic action under this Agreement. Participation by the Employers in said Trust shall be for the duration of this Agreement and any renewals or extensions thereof.

C. The Trustees of the respective Trust Funds shall be instructed to comply with these provisions and the parties agree to make any amendments in the respective Trust Agreements necessary to accomplish the above.

ARTICLE XI

A. Subject to the following conditions, the Employers agree that each employee may give written authorization to the Board of Trustees of the Operating Engineers Vacation-Holiday Savings Trust to pay to the Union from funds allocated as Supplemental Dues held by the Trustees on his behalf the sum designated in Appendix "A" for each hour of his employment (hours worked or paid) in each payroll period, as special Supplemental Dues owed by the employee to the Union.

B. The Union shall bear the entire responsibility for obtaining the written authorization from the employee and furnishing the authorization to the Board of Trustees in a form satisfactory to the Trustees. All costs, expenses and fees of the Board of

The Employers and Union agree to amend the Agreement and Declaration of Trust of the Operating Engineers Vacation-Holiday Trust for the purpose of authorizing, allocating and distributing the foregoing sums. The provision shall in no way affect the obligation of the Employer to pay the full amount of vacation contributions specified in this Agreement.

C. All written authorizations referred to above shall be irrevocable for a period of one (1) year from the date of the execution and shall renew automatically from year to year thereafter, unless the employee has served written notice upon the Board of Trustees and on the Union, not more than twenty (20) days and not less than ten (10) days prior to the expiration of each period of one (1) year or of the period of this Agreement, whichever is sooner, terminating the authorization.

ARTICLE XII
Political Action Committee Dues Check-Off

The parties to this Agreement agree that they have no objection to the Union establishing a Political Action Committee (P.A.C.) Voluntary Dues Check-Off to be contributed to, by the employees through the Operating Engineers Vacation-Holiday Fund, in the amount designated in Appendix "A" of this Agreement.

ARTICLE XIII
Contract Administration/Promotion Fund

Each Employer covered by this Agreement shall pay into a Contract Administration/Promotion Fund, the sum of ten (10¢) cents per hour for all hours worked.

This Fund has been established by the Employers party to this Agreement to administer the contract and to promote stabilization in the Truck Crane Industry.

ARTICLE XIV
Trust Funds and Delinquencies

A. Trust Funds:

Trust Funds named in this Agreement have been established and subsequently amended by the Employer and the Union. The Employers agree to abide by said Agreements and Declarations of Trust as they now exist or as they may be amended
and, further to make payment to each Trust Fund in the amount designated in the Fund articles in this Agreement on all hours of employment (hours worked or paid) of each employee who performs any work described in this Agreement.

B. Delinquencies:

1. In the event an Employer is determined to be delinquent in performing any obligation to a Trust Fund by the Board of Trustees or authorized committee of Trustees of that Trust Fund, the Trustees shall provide a written notice of delinquencies to the Employer. If the Employer fails to finally resolve the delinquency dispute to the full satisfaction of the Trust Fund within ten (10) days after the date of transmittal of the written notice, the Union party to that Trust Fund may take economic action including, but not limited to, the right to withhold employees, refusal to dispatch workmen and strike action against such Employer until satisfactory resolution of the delinquency dispute between the Trustees and the Employer.

2. The respective Trustees of the Trust Funds shall furnish a list of delinquent Employers each week to the Employer Group and Unions without charge. The respective Trustees of the Trust Funds shall be requested to make available to all contributing Employers, upon subscription, at a charge to be determined by the Trustees as their actual cost, a list of delinquent Employers each week. Because the furnishing of services by a Subcontractor who has not made the appropriate fringe benefit payments serves to undermine the standards of this Agreement and to deprive employees who would otherwise be having fringe benefit contributions paid on their behalf of the opportunity for employment, the Employer agrees that it shall not subcontract any portion of his job to any such listed delinquent Employer. The Employer agrees he will not subcontract any portion of his job, including work covered by this Agreement to any Employer whose name appears on the delinquent list of the Trust Funds until such Employer has paid all delinquent monies to the Trust Funds. In the event the Employer subcontracts to any such delinquent Employer in violation of the foregoing, the Employer shall remove such Subcontractor from the job immediately unless such delinquent Subcontractor immediately makes full payment of all amounts owed to the Trusts. The terms "Employer" and "Subcontractor" shall include all present and prior entities of the delinquent Employer or Subcontractor regardless of any change of name, or change of entity, provided that the owner or shareholders of the delinquent Employer or Subcontractor holds at least ten percent (10%) ownership in the new entity. This Paragraph 2 shall be enforceable only through a lawsuit.
3. In the event the Employer subcontracts work covered by this Agreement to an Employer named in the delinquent list most recently published by the Trust Funds before the date of subcontracting, the Employer shall be liable to the Trustees of the Trust Funds for all accrued delinquencies of the delinquent Subcontractor. Further, the Employer shall withhold sufficient funds from monies due or to become due each Subcontractor and shall pay the sums over to the Trust Funds. Should the Employer subcontract to a Subcontractor who becomes delinquent and is named on the delinquent list after executing a subcontractor document, the Employer will be liable for only those delinquencies that occur on his labor project even though the Subcontractor commences work on the project after his name appears on the delinquent list.

If a Subcontractor becomes delinquent after commencing work for the Employer, the Employer shall be liable for all delinquencies incurred on the Employer's jobs or projects. The Employer shall remove the Subcontractor who fails to correct his delinquency within five (5) working days after notification of such delinquency. If the Employer fails to remove such Subcontractor in accordance with this paragraph, the Employer shall become liable for all past accrued delinquencies of such Subcontractor. This Section 3 shall be enforceable only through a lawsuit.

4. The Employer shall make contributions to the appropriate Trust Funds for all employees covered by this Agreement for all hours of employment (worked or paid) of such employees. The Union represents all employees who perform any work in the Union's jurisdiction and such employees shall be covered by this Agreement.

5. The Trustees shall have authority to audit Employer records to determine the appropriate contributions and shall have specific authority to examine Employer's Federal W-2 Forms and 1099 Forms and their Quarterly State Tax Returns. In addition, Cash Disbursement Records, individual time cards, individual payroll records, State of California DE-3 Returns, and Employer reports to other Trust Funds, may be audited by the Trustees to verify total amounts due the Trust Funds. Upon demand of the Trustees, any Employer shall immediately submit relevant payroll information for audit by the Trustees or their designated auditors. If litigation is required to compel such audits, then in addition to any sums found due, the Employer shall pay all attorney fees, audit costs, interest and other costs incurred in connection therewith. In the event an Employer or Subcontractor refuses to submit to such audit, the Union shall have the right to take economic action against any or all jobs of such Subcontractor or Employer.

6. The Employer has a duty to report to the Trust Funds as required by this Agreement. The Employer shall maintain for a period of not less than five (5) years all
payroll and related records showing all payments to persons or firms for work of the nature covered by this Agreement. The Employer shall furnish such records for audit by the Trust Fund representative upon written request. The Employer and the Union agree that such audits are expensive and time consuming for the Trust Funds and the Employer, but the Trust Funds otherwise have no way of knowing the full extent of the Employer's obligation, since the records showing the related employment are in the possession and control of the Employer. In order to minimize the need for and frequency of such audits, the Employer agrees that the Trustees and the Union place trust and confidence in the Employer to report and pay contributions properly. For these reasons, if an audit by the Trust Funds discovers that the Employer has failed to report and pay properly as required by this Agreement, the Trust Fund's right to sue for the Employer's failure to pay shall begin to run from the date of the audit in which the delinquent amounts are discovered.

7. Each individual Employer found to be delinquent, in accordance with the Trustees' determination, shall be liable to pay all legal fees, court costs, and auditing costs in connection with such delinquency. Liquidated damages in the amount of Twenty-Five Dollars ($25.00) or ten percent (10%) of the delinquent amount, whichever is the greater, shall be due to each Trust Fund from the delinquent Employer.

8. If an employee of the Employer performs any work covered by this Agreement and is paid by any method other than (or in addition to) hourly wages, including, but not limited to draws, bonuses, dividends, or equipment rental payments, the Employer is obligated to pay contributions to each of the Operating Engineer Trusts on behalf of the employee at the specified hourly rates, based on a minimum of forty (40) hours per week of employment. This obligation shall commence on the date the employee first performs any work covered by this Agreement, and shall continue for each week until the employee is terminated from all employment with the Employer. The obligation shall not be diminished by evidence that the employee worked or was paid for fewer than forty (40) hours in any week.

The obligation under this paragraph shall not apply with respect to a maximum of two (2) employees, each of whom owns at least ten percent (10%) of the issued and outstanding capital stock of the Employer, provided that the Employer has executed and has fully complied with the terms of a Principal Shareholder Program Participation Agreement with the Operating Engineer Trusts covering such employee(s) for the term of employment involved.
The obligation under this paragraph shall not apply to a bona fide year-end or mid-year bonus which the Employer establishes to the satisfaction of the Trusts and is not a disguised attempt to pay wages or to pay a bonus in lieu of wages.

9. Any disputes between the parties concerning the performance of obligations to the Trust Funds are not subject to Article XV of this Agreement. The Trustees of the Trust Funds are not regarded as parties to this Agreement and are not obligated by this Agreement to arbitrate any of their rights under this Agreement.

ARTICLE XV
Grievances
Business Representatives and Job Stewards

A. The Business Representative of the Union shall have access to the jobs during working hours for the purpose of performing his assigned duties.

B. The Job Steward shall be a working employee, selected by the Union, who shall in addition to his regularly assigned work, be permitted to perform, during working hours, such of his Steward's duties, as outlined in Section D of this Article, as cannot be performed otherwise. The Union agrees that such duties shall be performed as expeditiously as possible and the Employer agrees to allow the performance of such duties as herein set forth. The Union shall notify the Employer, or his representative, in writing, of the appointment of the Job Steward, and the Employer, or his representative, prior to laying off or discharging the Job Steward for cause, will meet with the representative of the Union servicing the particular job or project two (2) full working days prior to such intended layoff or discharge. If at that time it is determined it is a justifiable layoff or discharge, the Employer or his representative will notify the Union in writing of these results. It is recognized by the Employer that the employee selected as the Job Steward shall remain on the job as long as there is work in a classification he is qualified to perform. The Job Steward shall not be discharged or laid-off for the performance of his agreed upon duties when performed in accordance with this Article.

C. Stewards shall be given job security and have the right to transfer as Stewards from job to job, provided they are qualified employees and perform their employee duties to the satisfaction of the Employer. There shall be no discrimination against the Union Steward for performing his Union duties. New employees shall on their first (1st) day of employment show their job referrals to the Job Steward. If the Steward is not immediately available, the new employee shall show his referral to the Steward as soon as possible.
D. To promote harmony between the Union and the individual Employer, the Steward shall be limited to and shall not exceed the following duties and activities:

1. Check the job referral of each employee dispatched under the terms of this Agreement to the Employer.

2. Work with the Employer's designated representative in charge of the job in an attempt to resolve disputes prior to the application of the grievance procedure.

3. Report to the Employer's designated representative any employee covered by this Agreement who works for less than the overtime rate or who goes to work without a job referral.

4. Report to the Employer's designated representative any work belonging to the Operating Engineers being done by non-dispatched workmen or by workmen of another craft.

5. Report to his Business Representative infractions of the Agreement which have not been resolved between himself and the Employer's designated representative.

6. Make a complete job check during working hours once a month.

7. Report to his Business Representative any employee covered by this Agreement who leaves the jobsite without giving the Employer and the Job Steward prior notice.

8. Report any reckless or unsafe employees covered by this Agreement on the jobsite to the Employer's designated representative or his Business Representative.

9. In the event the Steward is off work for an extended period of time due to injury or illness and returns to work, the Contractor shall reinstate the Steward to the same job classification as when he left. If said classification is not available then the Steward shall work in a classification he is qualified to perform.

10. The Job Steward shall not:

(a) Stop the Employer's work for any reason.
(b) Tell any workman or any employee covered by this Agreement that he cannot work on the job.

11. Infraction of either of these two (2) rules shall be cause for immediate dismissal of the Job Steward without any prior notice.

E. There is hereby established a Joint Adjustment Board, to be composed of three (3) representatives from the Group and three (3) representatives from the Union. The Joint Adjustment Board shall have authority to make such procedures consistent with the terms of this Agreement as necessary for the conduct of the Board's hearings. This Board shall have authority to perform the functions set forth herein, except that they shall not have authority to make decisions which would add to, alter, vary or modify any of the terms or provisions of this Agreement. Each of the parties hereto, shall, within ten (10) days after the execution of this Agreement, appoint its representatives and at once notify the other party, in writing, of the name and business address of each representative appointed. They shall meet within ten (10) days and select a Chairman and a Secretary, and thereafter the Board shall meet at the call of the Chairman.

F. In cases of violation, misunderstanding or difference in interpretation of this Agreement by either party, there shall be no stoppage of work. No dispute or grievance shall be recognized unless called to the attention of the Group, and the Union, in writing, within thirty (30) days after the alleged violation has occurred. Both parties pledge their immediate cooperation to reach a mutually satisfactory settlement of the above, in accordance with the following procedures:

1. If the aggrieved employee or the Steward fails to effect a settlement of a grievance or dispute with the Employer, or his agent, same shall be reported to the Business Representative of the Union, who will immediately attempt to adjust same with the Employer or his agent.

2. In the event no mutual settlement can be reached under the above step within two (2) working days, then the same shall be referred by the Union to the Labor Relations Department of the Group for settlement. If a settlement is reached, same shall be final and binding upon both parties hereto. It shall be paid by the end of the second (2nd) pay period based on the date of settlement, just as if work had occurred. If not paid within said period, Article XV, Paragraphs E, F-1, 2 and 3 shall not apply.

3. If no settlement can be reached within two (2) working days, then the same shall be referred to the Joint Adjustment Board referred to above. The Joint
Adjustment Board shall meet and act upon such matters referred to it within three (3) working days and a decision shall be rendered within three (3) working days after the Joint Adjustment Board meets. In the event no decision can be reached within three (3) working days, they shall, within two (2) working days select a seventh (7th) person to act as Impartial Chairman. In case no mutual agreement on the selection of the Impartial Chairman can be reached by the Board, then they shall immediately request the American Arbitration Association to furnish the names of five (5) persons qualified to act as Impartial Chairman. When said list has been presented to the Joint Adjustment Board, the Board shall meet and each shall have the choice of rejecting two (2) names of the five (5) persons listed. The remaining, or fifth (5th) person shall be selected as Impartial Chairman. The Joint Adjustment Board and the Impartial Chairman shall meet within two (2) working days and render a decision within five (5) working days thereafter. The time limitations may be waived by mutual agreement between the Group and the Union. Any and all decisions made by either the regularly constituted Joint Adjustment Board or the Joint Board and Impartial Chairman, shall be final and binding upon both parties to this Agreement.

G. All expenses incurred and approved by the Joint Adjustment Board, excluding the fees and expenses of the Impartial Chairman, necessary for the consideration and decision of grievances and disputes submitted to it, shall be borne equally between the Union and the Employer. The Impartial Chairman's fee shall be paid for by the losing party.

ARTICLE XVI
Term of Agreement

This Agreement shall be effective July 1, 2016, and remain in full force and effect through June 30, 2019, and from year to year thereafter, unless either party gives sixty (60) days' written notice to the other prior to any annual expiration date, of its desire to terminate, amend or modify this Agreement.
