The 'DO:' column lists four items with checkmarks: 'Make sure you can breathe through it', 'Wear it whenever going out in public', 'Make sure it covers your nose and mouth', and 'Wash after using'. The 'DON'T:' column lists two items with X marks: 'Use on children under age 2' and 'Use surgical masks or other personal protective equipment (PPE) intended for healthcare workers'. There are three circular icons above the 'DO:' column showing people wearing different types of cloth face coverings. A large play button is centered over the text.
